

GRABBARS & HANDRAILS

The most cost effective modification made!

REDUCE RISK OF FALLING!

Provides Safety

Stainless steel, 1-1/2" diameter grab bars. Available in smooth or knurled finish, complete with concealed mounting flange and press-on flange cover. All grab bars are permanently treated with SANIGUARD® product protection.

SANIGUARD product protection is designed to keep the product fresher and cleaner between normal cleaning routines. It is not a disinfectant and will not protect users or others against food-borne illness or disease. Always use good hygiene and cleaning practices.
