

Introduces their new **64 oz. ICE SCOOP**
with hand guard

Model No.
SIS-6400

- SANIGUARD[®] antimicrobial product protection helps to inhibit the growth of bacteria, molds and mildew which can cause odors, staining and deterioration of the ice scoop
- SANIGUARD product protection is designed to keep the product fresher and cleaner between normal cleaning routines. It is not a disinfectant and will not protect users or others against food-borne illness or disease. Always use good hygiene and cleaning practices.
- Molded hand guard provides a physical barrier to help prevent accidental contact of dirty hands with the ice
- Ideal for use in OEM ice bins or as a replacement ice scoop
- Wire framed wall mount bracket available:
Model No. SIS-1000
- May also be used as a dry measure scoop
- Hole in hand guard to permit use of a chain
- 64 oz. capacity
- Patent Pending
