Fryer splash guard

Commercial Quality Features

- 20.5"W x 17.75"H for maximum protection
- All stainless steel construction for durability and rust resistance
- Deflects grease splatter back to fryer
- Easy cleanability - keeps grease out of hard to clean areas where it could turn rancid and lead to odors
- Universal fit - designed to mount onto the left or right side of most commercial fryers
- Easy installation - does not require drilling or bolting
