SaniGrasp™ *Stainless Steel Door Pull*

Overview

SaniGrasp is a Patented stainless steel door pull with a full 1" angled tubular pull for opening ease with the forearm and is treated with SANIGUARD® antimicrobial product protection.

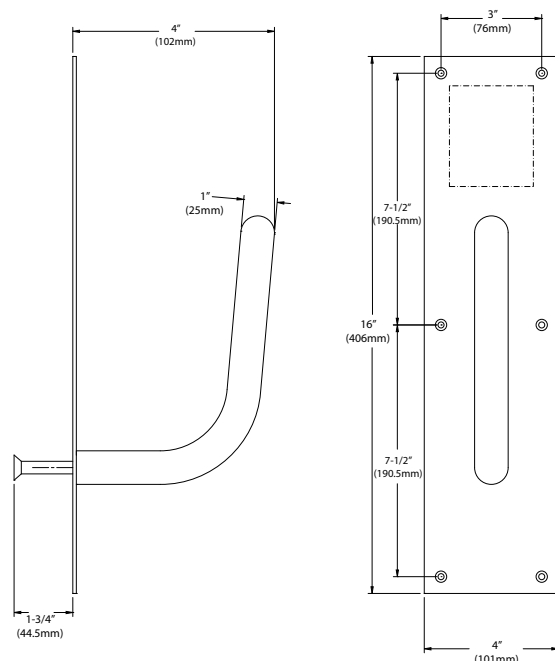

Features and Benefits

- Heavy Duty Stainless Steel Construction
- ADA and ABA Compliant
- Etched Instructions on Back plate
- Retro-fits most existing door handles
- Mounting hardware included

Note: SANIGUARD antimicrobial product protection is designed to keep the product fresher and cleaner between normal cleaning routines. It is not a disinfectant and will not protect users or others against food-borne illnesses or disease. Always use good hygiene and cleaning practices.

Model No. SG-101
